Dear Christopher,

Congratulations! I am very pleased to inform you that you have been nominated for a Capital Educators' Award. This award celebrates and recognizes outstanding teachers who have made a significant impact on their students' lives. The program is coordinated by the Ottawa Network for Education (ONFE).

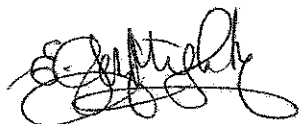

Nominations for this award are made by current and past students, as well as by colleagues of educators from all levels of the education system in the Ottawa region. Your nomination is a shining example of the high calibre of teaching and the strong commitment to student learning and dedication to student success that faculty members at Carleton University demonstrate.

The six Carleton University finalists for this award will be announced by April 8, 2016, and their names will be posted at www.edugala.ca. Only those individuals selected as finalists will be notified at this time through a letter from the Provost and Vice-President (Academic).

Finalists will be invited to attend the awards ceremony to be held on Thursday, May 19, 2016 at Algonquin College's Woodroffe Campus. Finalists will be provided all of the details of this event in advance.

Congratulations once again on being nominated for a 2016 Capital Educators' Award.

Sincerely,

Dr. Joy Mighty
